Re: ***1417 Route 9W, Marlborough, NY***  
***Site Plan Approval***

Dear Chairman Brand and Members of the Board:

As you know, we represent Chestnut Petroleum Distributor, Inc., in connection with the above referenced matter. The public hearing for this matter is currently scheduled to continue on March 6, 2017; however, the public hearing for the signage variances has been scheduled for March 9, 2017. Accordingly, we will not be appearing at the continuation of the public hearing on March 6, 2017, and ask that the public hearing be kept open and continued to the Board's meeting on March 20, 2017, which is the next scheduled meeting following the public hearing before the Zoning Board of Appeals.

Thank you for your attention to this matter.

Very Truly Yours,

HARFENIST KRAUT & PERLSTEIN LLP
