Marlborough is a unique riverfront town that offers a diverse range of business opportunities, cultural attractions and housing options set in a beautiful Hudson Valley landscape where agriculture and history are highly-valued elements of our community and our small town quality of life is the centerpiece of multigenerational living and civic endeavors.

Hamlet Revitalization and 9W Corridor Improvements

- Lighting, landscaping, commercial revitalization.
- Pedestrian, bike and safety improvements.

Design Guidelines – Hamlet Center

- Consider historical context
- Incorporate sidewalks, crosswalks, pedestrian scale lighting, and street trees

Image courtesy of Vivian Photography

Design Guidelines – Enterprise Areas

- Access Management
- Shared Parking
- Screening – berms, shrubbery, trees, stonewalls where appropriate
- Pedestrian access

Agricultural Heritage

- Maintain the rural and agricultural character – keep farming successful.
- Consider an agricultural enhancement and farmland protection plan.
