**Re: NYSDOT SEQR #18-010  
Marlboro Distr. Rte. 9 LLC  
Route 9W, Town of Marlborough  
Ulster County**

Dear Mr. Brand:

The New York State Department of Transportation (NYSDOT) is in receipt of a transmittal dated January 5, 2018 which includes a Lead Agency Designation Request from the Town. NYSDOT consents to the Town Planning Board assuming the role of Lead Agency for review of the subject proposal.

In reviewing the submitted documents, it is noted that this use will generate a substantial amount of truck traffic. Please have Applicant provide information regarding trucks being used, along with turning templates, as well as a traffic analysis.

Thank you for your interest in highway safety.

Very truly yours,
