Town of Marlborough
21 Milton Turnpike
Milton, N.Y. 12547

Dear Supervisor Lanzetta and Town Board Members,

This letter is intended to formally request the inclusion of our property located at 1519 Route 9W, Marlboro into the Marlboro-Milton Water District.

We are requesting this inclusion as part of our larger plan to expand our facility at this location and needing a steady, secure source of water for this project.

Our water needs for this expansion are estimated to be as follows:

Peak (September 1 – November 15) – 150,000 to 160,000 gallons per day

Non-peak (November 16 – August 31) – 115,000 to 125,000 gallons per day

We thank you in advance for your consideration and cooperation in this project.

Best regards,

Sheldon L. Ginsberg
Executive Vice President and
Chief Financial Officer
