Dear Chairman Brand:

On behalf on the applicant, Maser Consulting requests to be placed on the next available agenda to present the approval extension request to the Board for Special Permit/ Site Plan Approval of the project known as Marlboro on Hudson. The Amended Resolution of Special Permit/ Site Plan Approval for the project, was granted on November 5, 2018. The first extension of approvals was granted by the Planning Board on October 24, 2019. The applicant is seeking a second extension in order to meet the resolution of approval satisfactory to the Planning Board, received signed Site Plans and begin construction.
