Monthly Report for December 2022

During the month we continued and finished removing leaves and debris from the drainage ditches and catch basins.

We finished replacing the old street signs on the newly paved roads with new signs that display the Town's seal. We did road patrols, replacing any signs that were in disrepair.

On 12/9 we assisted the Police Department with traffic control for the funeral procession of James Van Vliet, III.

We had a few snow and ice events that required us to send out trucks to pretreat, plow, salt and sand to keep our roads safe due to freezing rain and snow.

We continued working on several of the Town's projects. At the TOMVAC site we continued work on the walkway, dug, and hammered rock for the new septic system, prepped for the installation of the grease trap and removed the old furnace. At the dog park we assisted Gael Appler, Jr. in the construction of the new gazebo.

Ambulnz, the new ambulance service provider for the Town, has been set up in the Highway Department building. Several days were spent converting an old office with drywall, painting and installing electric outlets outside for the ambulance van. A storage container box was obtained, shelves were built, and the records from that office were transferred to the new container unit.

On 12/20 and 12/28 we sent out a crew cold patching in both hamlets.

Fuel Usage: Gas: 159.635 gal. Diesel: 1346.070 gal.

Respectfully submitted,

John Alonge, Highway Superintendent

January 5, 2023

For the month of December 2022, both the Marlboro and Milton Wastewater Treatment Plants complied with all of the SPDES requirements. The following are monthly statistics for both plants;

Marlboro WWTP

- Average Daily Flow = **138,000** gallons per day.
 - (About **79%** of design capacity.)
- Average BOD removal = **94%**
- Average Suspended Solids removal = **98%**

Milton WWTP

- Average Daily flow = **30,000** gallons per day.
 - (About 55% of design capacity)
- Average BOD removal = **99%**
- Average Suspended Solids removal = **97%**

Both the Marlboro and Milton treatment plants operated normally during the month of December without any major changes or events. The repaired pump for Milton's EQ tank has been wired up and is functioning properly. Excelsior Blowers also came and replaced the broken blower. Unfortunately the motor for one of the two screw pumps at the Marlboro Facility is not working properly and will need to be replaced. Rapid pump & Meter had one in stock and it hopefully will be delivered within the next few days. We are currently operating normally with just one screw pump. Overall, both wastewater treatment plants are in good working order but are getting older. If you need any additional information, please do not hesitate to contact me.

Thank you,

AGENDA

Approval of Stenographic Minutes for 11/21/2022

Approval for the above minutes was tabled until the January 3, 2022, meeting.

Kris Noto Orange Street, 33-35 Orange Street, Marlboro: Public Hearing, Subdivision

- The Public Hearing for the project was opened with significant input from neighboring property owners. Concerns regarding the project included: on street parking, increased traffic and congestion, drainage on and around the site, proposed aesthetics, and driveway access on site. A motion was made to close the Public Hearing which was approved by a 4-3 vote. Engineer Pat Hines will conduct an on site inspection with the Town of Marlborough Highway Superintendent to evaluate many of the concerns raised at the Public Hearing.

William Kendra Minard, 346 Mahiney Road, Marlboro: Sketch, Site Plan

- The applicant proposed on site food and alcoholic cider sales under the Town's Agricultural use laws. However, as the agricultural nature of the site is seasonal and unrelated to the production of proposed sales, the applicant was advised to amend and/or resubmit their plans as their proposed usage is not allowed under present code.

Terrence Laura Cuddy, 50 Baily's Gap Road, Highland: Sketch, Subdivision

- The Board discussed proposed driveway grading, utility easements, driveway location and clarification regarding items left unanswered on the application checklist. Ulster County Health Department approval for the proposed septic and Town Highway Superintendent comments regarding the proposed driveway are outstanding. A Public Hearing was scheduled for January 17, 2022.

*****Discussion*****

Due to the numerous upcoming holidays falling on regularly scheduled Planning Board Meeting Dates, the Board discussed alternative dates for meetings to be held. The new dates will be posted on the Town of Marlborough Website.
