IT IS HEREBY RESOLVED that the Planning Board makes the following finds pursuant to
Section 277(4) of the Town Law:

Based on the present and anticipated future need for park and recreational opportunities in the
Town of Marlborough, and to which the future population of this subdivision will contribute,
parklands should be created as a condition of approval of this subdivision.

However, a suitable park of adequate size to meet the above requirement cannot be properly
located within the proposed project site.

Accordingly, it is appropriate that, in lieu of providing parkland, the project sponsor(s) render to
the Town payment of a recreation fee to be determined in accordance with the prevailing
schedule established for that purposed by the Town of Marlborough.
