

Supervisor's Report July 2023

The same as last month, I had multiple meetings with Town Engineer Phil Bell to discuss the bond documents with ARCH Insurance Co. on WND General Construction for the new community center project. Also had multiple conversations with Katie McFadden, senior claims examiner from Arch Insurance Co. to discuss the process on how the Surety company will handle completing the project.

Had multiple conversations with MHE Engineering, Mike Lamoreaux and Jamie Zajacare to discuss Old Indian Trail Geotechnical and survey estimates.

Attended the July 7th and 21st Concerts in the Park held by our Town Recreation Committee.

Held my Quarterly Heads of Dept. meeting to go over what we accomplished in the 2nd quarter and what I would like to see completed in the 3rd quarter of this year.

Met with the CertaPro Sales Representative, Jay Senor to go over the completion of the painting of the pavilion at Cluett Schantz Memorial Park.

Had a Zoom meeting with DEC representatives Dan Miller, Angela Schimizzi, Arica McCarthy with our Landing committee members Deputy Supervisor Appler and Rosemary Wein. We discussed the permitting process for the North Pier repair, the kayak launch and the possibility of putting in a mooring anchoring dock system.

Met with School District Assistant Superintendent Mike Bakatsias to discuss putting in a new HD camera system in our meeting room to record our meetings.

Met with Councilman Zambito and Water Superintendent Muggeo at the Transfer Station to discuss cap repairs that need to be done on the landfill. This is in preparation for NEXAMP who is building a solar farm at the transfer station.

Met with the Kayak Committee, Deputy Supervisor Appler, Rosemary and Jerry Wein, Superintendent Alonge, Gary Lazaroff to finalize the adaptive kayak launch location at the Milton Landing. (Kayak launch has been ordered)

Had a meeting with the PBA Union negotiation committee with Councilman Molinelli and Chief Coccozza to discuss union contract extension.

Had multiple discussions with John and Cynthia Behan to discuss putting out a bid for the Milton Landing Park project. Looking at doing fencing, blacktop, landscape and walkways. We are also discussing with the county about moving Dock Road connection with Old Indian Trail.

Had multiple discussions with Ron Cypers from Leyton Properties on their planned development off Dock road in the Hamlet of Marlboro.

Respectfully submitted,

Scott Corcoran
