Colliers Engineering & Design Project No. 05000787A

Dear Chairman Brand and Members of the Planning Board,

On behalf of the applicant for the above referenced project, Mr. Asher Sussman, we request to be placed on the next available Planning Board meeting agenda to request an extension of the Site Plan approval for the project. The current approval is scheduled to expire on May 6, 2024, and it is our understanding that this is the last permitted extension for this project. If you have any questions, feel free to call me at 845.564.4495.

We look forward to meeting with you and the Planning Board members to further discuss this request.

Sincerely,

Colliers Engineering & Design, Architecture, Landscape Architecture, Surveying, CT P.C.
