Dear Patrick Mitchell:

Thank you for requesting the comments of the New York State Historic Preservation Office (SHPO). We have reviewed the provided documentation in accordance with Section 106 of the National Historic Preservation Act of 1966. These comments are those of the SHPO and relate only to Historic/Cultural resources. They do not include other environmental impacts to New York State Parkland that may be involved in or near your project.

The Archaeology Unit has reviewed the Phase I archaeological survey report prepared for this project (November 2024; 24SR00587). No archaeological sites were identified by the survey and the SHPO concurs with the report recommendation that no additional archaeological work is necessary.

Please note that these comments pertain only to archaeological resources. Please continue to consult with Olivia Holland in the Survey and Evaluation Unit at Olivia.Holland@parks.ny.gov. If you have any questions concerning archaeology, I can be reached at Jessica.Vavrasek@parks.ny.gov.

Sincerely,

Jessica Vavrasek, Ph.D.
